 - (d) The BOEM takes or fails to take any action in enforcing, as against any party to the Instrument, the performance of any other covenant, condition or agreement of the pipeline ROW grant, or giving notice of or making demand with respect to such nonperformance.
 - (e) The Surety suffers any loss by reason of any law limiting, qualifying, or discharging the Principal's Obligation.
8. The Surety agrees to be bound under this bond or additional security* as to the interests in any Instrument retained by the Principal when the BOEM approves the transfer of any or all of the Instruments.

11. In the event there is more than one Surety for the Principal's performance of the Obligations, as to any Instrument, the Surety's Obligation and liability under this bond or additional security* is on a "solidary" or "joint and several" basis along with other guarantors or sureties.
12. The Surety agrees to give prompt notice to the BOEM and the Principal of any action filed alleging the insolvency or bankruptcy of the Surety or the Principal, or alleging any violation that would result in suspension or revocation of the Surety's charter or license to do business.
13. The Surety's Obligation and liabilities under this Bond or additional security* are binding upon the Surety's successors and assigns. Nothing in this document permits assignment of the Surety's Obligation without the written consent of the BOEM.
