Dear Mr. Smith:

By letter dated March 13, 2024, with additional information submitted through April 12, 2024, LLOG Exploration Offshore, L.L.C. (LLOG) requests a Suspension of Production (SOP) for Lease OCS-G 25806 (the Lease), Keathley Canyon (KC) Block 785. The Lease was held by the KC Block 872 Unit, Agreement No. 754315001, through June 13, 2024.

The KC Block 872 Unit has a contraction date of June 13, 2024. After this date, the unit will automatically contract to the participating area, and any lease not entitled to receive an allocation of unit production will be eliminated automatically from the unit area, which includes the Lease. LLOG is requesting an SOP in order to allow time to complete the construction and installation of subsea production facilities, to drill and complete KC Block 785 Well SS003, and commence production from the Lease.

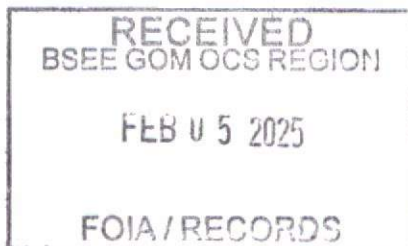

An SOP for Lease OCS-G 25806 is hereby approved, pursuant to 30 CFR 250.174(a), from June 14, 2024, through February 28, 2025. LLOG, or any subsequent operator, is expected to notify this office in writing (progress report) by the end of each month that a deadline is scheduled. If you have any questions regarding this matter, contact Ms. Azeen Neko-Lewis at (504) 736-7527 or [azeen.neko-lewis@bsee.gov](mailto:azeen.neko-lewis@bsee.gov).
