Dear Mr. Graham:

By letter dated February 28, 2024, with additional information submitted through June 20, 2024, GOM Shelf LLC (GOM Shelf) requests a Suspension of Production (SOP) for Lease OCS 00839 (the Lease), West Delta Block 94. The Lease was held by a prior SOP through February 29, 2024.

As a result of the previous lease operator's filing of bankruptcy, GOM Shelf has become the designated operator of the Lease. GOM Shelf has commenced performing repairs to multiple facilities in order to restore the Lease to production. Following riser repairs and pipeline flushing and hydrotesting, production from the Lease is expected to be restored by the end of August 2024.

An SOP for Lease 00839 is hereby approved, pursuant to 30 CFR 250.174(a), from February 29 through August 31, 2024. GOM Shelf, or any subsequent operator, is expected to notify this office in writing upon commencement of production. If you have any questions regarding this matter, contact Mr. Karl Krummel at (504) 736-2961 or [karl.krummel@bsee.gov](mailto:karl.krummel@bsee.gov).

Sincerely,
